Session Highlight:

Energy Management Innovation

Prosumers seize control of their energy destiny

George Waidelich Albertsons Companies, Energy Operations

Steve Kiesner Edison Electric Institute, Sr. Director, National Customer Markets

Utilities have longstanding programs to help large energy users, including those with a national footprint, get most efficient in their use of electric power. But in the new era of renewables, energy storage and ever-greater efficiency -- what new efforts are utilities rolling out to help America better manage its electricity?
