PADDLING TRIP from Santee State Park -- Oct. 29-31! Two nights cabin accommodations at the park and a 3.5-hour kayak trip through cypress swamp, a visit to a Confederate cemetery and more! \$165/person single and \$110/person double-triple occupancy. A great trip if you have some time during the week! Spend it in Santee Cooper Country!

**Tryg Farestad** I was just thinking of something like this last night as I watched The Patriot on TV. I was wondering if the Santee was real!!
