Two cheers for the Harrisons from Walterboro! (nevermind his shirt 😊) They just became the first couple of Ultimate Outsiders to finish at Lake Greenwood State Park, and Ranger Fayette is all smiles about that! Now....how about YOU become the next group of Outsiders to finish there. We've issued the challenge: <https://southcarolinaparks.com/ultimate-outsider>

Jean Marie Fridh Welcome to the club! 😊

Martha Hopper Compton So exciting! Lake Greenwood was stop #13 for us. My kids like to call it our "unlucky park" because we got lost on the nature walk. But after a call to the park ranger, we made it out and now it's one of our favorite adventure memories and stories! (We only have two parks left to go in our #47stateparksin2018 journey!)

Sue Caldwell Roberts My sister and I finished our Ultimate Outsider trips at Lake Greenwood in 2014. We are now working on the 18 in 2018 challenge.
