Hi,  
My friend Kayce and I live in Columbia and we are wondering what we can do to help out after all the flooding. We visit Sesqui a lot and cherish it. Just let me know. Thank you!

Stephanie, we thank you so much for your offer! We are still assessing the damage and events are still transpiring. Once we see what the damage is and where we could use help, we will get in touch with you. Again, we appreciate your offer, so much!
