Halti – I am good. I pulled up the notice of hearing and confirmed all. She can sign.

Subject: JEDA Bond Issue for Mason Preparatory School

Please find attached the Governor's Certificate for the JEDA bond issue for Mason Preparatory School in Charleston. This bond issue is providing the permanent financing for the construction of a new lower school at the school's campus in downtown Charleston. I am also attaching the form of the support resolution adopted by Charleston City Council for this bond issue on September 13, 2016. Can you please have the Governor sign 4 copies of the certificate? Let me know once the certificates have been signed, and I will have them picked up at your office. As always, many thanks for your assistance.
