Marcia:

You should definitely contact the insurance company, report the loss, and seek to recover in both instances.

Gene,  
Apparently, we have an insurance policy that covers the agency for up to \$50,000 for each occurrence of fraud. Does this apply to our 2 latest cases, and if so, will this be a factor in what you are preparing for the civil cases? Please advise on how to proceed. Also, do you have any word from the Attorney General's office?

Thanks for your help.

Marcia
