Subject: Interview Request for Gov. Haley

Ms Adams,

My name is Eboni K. Williams and I work for Fox News. I'm trying to secure a brief interview with Governor Haley. As a woman in the law, she has had a profound influence on my life and I'm writing a book about how appearance affects women's ascent to power.

Here is a link : <https://www.amazon.com/Pretty-Powerful-Eboni-Williams/dp/1478967978>.

I would greatly appreciate Governor Haley's invaluable perspective on the issue. Due to her tremendously busy schedule, a phone or even email interview would be greatly appreciated. I'm estimating this would take between 10-15 minutes of her time. Please advise about her availability for the rest of June or July.

Thank you so much for your consideration.
