Hey Katherine and Amy!

We are off and running with the invitation. I asked Angela to make the changes to reflect the date, time and location for 2015. See the attached PDF. This is a draft. I noticed some spacing with the Governor's name that I will bring to Angela's attention.

I also suggested we consider making the logos more equal perhaps. I was only thinking that each group puts in an equal amount to host it. Not a big deal. We can certainly go back to the original design. Please let us know your thoughts soon. We would like to place the order as soon as possible. Love to see those check marks next to our 42 page list of things to do for the tournament! ;)

Also, will need to know how many to order. We have had a ton of invitations left over the past two years when we ordered 500. I will ask Angela what the price break is but I believe we would be fine with 300.

Thanks.
