scstateparks These turtles could use a lesson or two on social distancing. 🐢🐢 Charles Towne Landing State Historic Site 📍: @exploresouthcarolina - As you gear up to head to a state park this weekend, remember to practice the social distancing guidelines put in place. Also, remember parks have reduced thier capacities, allowing only a limited number of visitors in at once. When a park reaches its capacity, the gates will be closed until the number of visitors decreases. - Visit the 📍 in our bio for more information regarding social distancing guidelines and information regarding hours of operaton and capacity numbers for each park.
