Thank you so much for getting in touch with me. The Horry County Convention has been on the Lieutenant Governor's calendar with that timeframe, but I could not locate our email correspondence confirming that. We are still on track to be there April 22 around 11:30 and we are very much looking forward to it. Sorry for any confusion that I may have caused, I just wanted to confirm our appointment electronically. Also, what is a good phone number to reach you at that we can put on file in case we need to call you the day of the event?

When you called me a few weeks ago it was to advise us that the Lt. Governor would be able to attend the HCGOP Convention on Sat., Apr. 22 at around 11:30-12:00.  
We agreed that you would send a follow up email with his arrival plans so that we could make plans to get him to the meeting.  
Thank you for corresponding with Norm.  
We look forward his visit.
