First of all, thank you for helping get Sen Scott to our Liftoff Event.

We are all working diligently toward a great event. Please invite Gov Haley when you see her tomorrow and ask her to speak for a few minutes as well. We would be honored to have both she and Sen Scott on the program.

I just wanted to relay how important it is for our group to get a commitment from Sen Scott as soon as possible. Everything else has fallen into place with the exception of the Headliner. Thanks again for your help.
