Kelly,

Thank you so much! I've shown the concepts to Katherine, she will be in meetings throughout the day. She asked if you knew the size the programs will be once completed. Also she said the third one and I agree is good. For the copy to be included, will you be keeping all of the original copy including the 48th Annual Governor's Carolighting, the location (South Carolina, Statehouse), and the date?

Is it possible to send over the third concept with the copy on it before the meeting? It would help to see the completed version.

Thank you,  
Haley
