Governor,

We have met with the CCCF folks and the PSA production folks. I think they are ready to go. We just need direction from you on who you would like to appear in the PSA.

Our recommendation is splice in parts of Darius' video and ask Staley, Lattimore, Boyd, Spurrier, Melvin, Beasley, and Dabo. Rob could also go back and ask for a snippet from Colbert. If we go with these folks, I would recommend the person that made the initial contact call and ask about an appearance in the PSA.

Do you agree with this approach? Are there others that you would like included?
