Nicole – can we revisit scheduling this event in March? Again, it would be an event in Jasper, likely at the future Jasper port site. After we get a date, then we can build the event. Thanks.

The Governor's upcoming schedule is somewhat flexible. Please let me know what day of the week is best and what time of day. I am happy to take a look at her availability.

Subject: Jasper Port

Recall that we did a joint press release back in November about the new agreement between GA and SC to build the Jasper Port. Because that announcement did not get a lot of attention, the Gov wants to do a public event highlighting the importance of this agreement and the Jasper Port at the site in Jasper in the coming weeks. We tried to work on this event with the Ports Authority and GA pre-flood but couldn't make it work out. We need to plan this event and then figure out when she can do it.

Note that Gov. Deal will likely not be able to attend, and NH is fine with that.
