Subject: Reducing Sentences

Nikki, I wanted to ask if you have any intention of reducing jail sentences to 65 percent off their time for first time offenders in maximum prisons.

I have a son serving time for a murder he didn't do. I know cause he was at home and there was no evidence against him except for talk. Sometimes these prosecutors leave people no choice except to take plea deals.

I wanted to ask I had heard you were considering it. Thank you for your time. Hope your day is good!
