Katherine,

Please find attached a summary for H.3747, sales tax exemption on drugs injected by a physician. The House concurred in the Senate amendment yesterday and the bill is now enrolled for ratification. You'll note the bill received overwhelming support in both the House and Senate. Please do not hesitate to let me know if you have any questions or need additional information. I've included my cell number in this email.

I know y'all are swamped but would appreciate a heads up on the Governor's actions if possible.

Many thanks!

Billy Routh
