---

My changes are below:

Recognizing the need for accountability and transparency in the collection of Other Funds by state agencies, the General Assembly, most recently via Proviso 117.74 of the FY 2016-17 Appropriations Act, already requires each state agency to provide a public report of all aggregated amounts of fines and fees that were charged, collected, and expended by that agency.

Team,

Attached is the almost final draft of the letter we plan to send out this morning. I am waiting for confirmation on the EO number, but otherwise this is final pending any changes from y'all.

Thank you.
