Good morning, Rebecca.

I will give you a call a little later. I'm on a conference call with the American Tort Reform Association (ATRA) until noon and have lunch meeting that should end around 1:15 pm. I will give you a call after that, if you are available.

We (SCCJC) are having our annual fall meeting tomorrow. Our Board met yesterday. I can fill you in on details after lunch.

Kindest regards,  
Earl

Good morning Earl – I believe you were to have some legislative meetings in late October and possible a Board meeting this week, and so I wanted to check in with you to touch base on any decisions that were made they may affect your legislative agenda next year. Please give me a call today when you have a few moments. My cell is always best: 429-4561. Thank you.
