Thanks Danny! I hate to be a pain, but I anchor our 4pm show, so on Monday I just have to be back at the station around 3pm in Greenville. Thank you!

Hi Hank!

No worries at all, I would love to, but I can't tomorrow. Would Monday morning work by any chance? And I know the Lt. Governor would be great to talk with, especially since he's a pharmacist!

Sarah,

Today has been a crazy one – sorry for the delay. I think I may have what you're asking/looking for... as for someone to interview, would you at all be interested in speaking with the Lieutenant Governor tomorrow on camera? He will be in Anderson and is available before 10a or after 1p there (someone would have to travel there).

Let me know.

Thanks,

Hi Hank!

Great to talk with you - here is an article about the "gag orders" – I'm working on a consumer rights story, so people know about this and that they can speak up for a better price sometimes. I'm looking to see what the rules/laws are in South Carolina, and if this is something you talk to clients about when discussing Medicare.

Thank you!
