Yes I will. Just let me know when & where I should meet you. That will be great!

Hi Ashleigh,

Would you be able to meet up with Rob and I tomorrow right after work?

Hi Chaney,

I wanted to follow up with you since our conversation last week. Is there anytime I might be able to stop by and meet you briefly, tomorrow? I start as WIS' new Statehouse Reporter this Wednesday, and wanted to be sure I got around to meeting the important people as soon as possible!

Thanks,
