Subject: RE: March AAA Meeting and Clemson Assessment Team Meeting

Good Morning,

On behalf of the AAA Directors, we are very excited about meeting with you and your team and having the opportunity to share our thoughts with you on the assessment training. You will find even though we are a very unique and different group, the one common theme we all have is conducting a thorough, accurate assessment of the whole client on their needs.

I know you are very busy, so thank you for working with us to have the meeting on the same day we are already in Columbia.

Again, I look forward to meeting with your team in March.

Best regards,
Connie Munn

Subject: RE: March AAA Meeting and Clemson Assessment Team Meeting

Greetings colleagues – Thank you for your willingness to meet with members of our training team. As Gerry indicated, we would like to spend some time getting to know you. We would also like to get your insights about the trainings we will be conducting with you and your assessment teams. Prior to our meeting on March 2, I will send out an agenda for that afternoon. If we start promptly at 1, we should conclude no later than 3. In the meantime, if you have any questions or specific items that you would like to discuss, please feel free to contact me. We look forward to meeting each of you on the 2nd. Thank you.

Justine Gradillas

Subject: March AAA Meeting and Clemson Assessment Team Meeting

Dear AAA Directors:

In response to your meeting with Mr. Morris and me last week we attempted to include the Clemson Assessment Team at our February AAA meeting. Unfortunately, the team was not available to join us on February 2.

Thankfully, the Clemson Assessment Team has agreed to meet with the AAA Directors after our March 2 AAA meeting in the LGOA conference room. The Clemson meeting will start at 1:00PM.

Justine Gradillias is the Clemson Project Manager and she will be contacting you via email to provide additional details about her meeting. Ms. Gradillias wants to use this opportunity to interact with you regarding the assessment training process in an open discussion and by using focus group format.

We will allow enough time between the AAA meeting and the Clemson meeting to give everyone time to have lunch.

We look forward to seeing all of you this Thursday at the LGOA for our February meeting.

Thanks,
Gerry
