Thank you, Joe!

Hi Danny,

Thank you for reaching out Senior Community Service Employment Program. I am in the process of getting information on the program's prospects in the upcoming Continuing Resolution. But I think it should be fine, likely continuing to be funded at the same funding level.

If you should have any statistics on the success of the SC program, or any specific points/questions you would like share with us, we would be happy to receive those and take them into consideration during the appropriations process.

Very Sincerely,

John

Hello Danny. I hope you are well. I've copied two of the best legislative staffers on the hill, John Don and Kate Hunter. Look to hear from one of them very soon. Thank you once more.

Sincerely,

Joe, I hope that all is well. I know that place is no fun in this kind of weather. I know that budget negotiations are ongoing, and we're wondering about the Senior Community Service Employment Program. We have plans to update the implementation of this program, and we think it can be even more successful here in SC. We hope that it will make it, and we're happy to weigh in if we can be helpful. Thanks
