2017 Appointments.docx

Danny,

Below is Gerry's response to my inquiry about Ms. Rohaley. I looked back at my notes, and I have spoken to her in the past. The other Committee she applied for is the Committee to Study Services, Programs, and Facilities for Aging. The Lieutenant Governor may only appoint Senators to that committee, for general public appointments to that committee you would need to contact the Governor's Office.

I've also attached the document that Gerry provided with his overall recommendations. I have scheduled to sit down with Darryl and Gerry next Wednesday morning to go over the applications.

Catherine, here is Ms. Rohaley's application.

She wasn't one of the names I recommended to Darryl- she works in hospice and we have no authority or Hospice component in our programming. I was hoping we could select people who understand and want to help us build/enhance our Title III and Home and Community-Based Services, as well as a focus on Alzheimer's issues.
