Danny,

Thank you! He just gave me a call. He's going to try to help me figure it out, but the report should be out there.

Thanks again and have a great holiday. Happy Fourth.

Subject: Ombudsman report

Hi Danny,

I hope you're well. I'm writing a story this week about funding for Adult Protective Services. I was hoping to access the long-term care ombudsman's annual reports. They used to be posted on your website, but I can't find them anymore. Any chance you can help me out? They detailed the complaints the ombudsman received, where they came from and how they were handled, I think.

Thanks very much!
