**Subject:** SCDOT Winter Storm Saturday AM Update

***District 4 crews working on I-77***

Winter weather conditions continue across much of the state. SCDOT has been successful in keeping all interstates open so far, although there are some other impassable roads in areas of the upstate. As conditions improve, crews should be able to address those roads. Detailed District ops report attached.

*District 3 crews worked through the night to clear roads in the upstate*

*Approximately 9000 tons of salt have been used so far*

**SCDOT Winter Weather Resources**

The [Enhanced 511 Traveler Information System](#) provides traffic camera images, travel time estimates and other technological tools.

The [Winter Weather Road Conditions System](#) provides brief reports that are updated by SCDOT personnel in each district round the clock several times a day as conditions warrant.

The [Press Release site](#) contains advisories and updates on how SCDOT is working to improve road conditions.
