[Nikki Haley on WJBF \(ABC\) - Augusta, GA](#)

03/31/2015 04:36:00

Good Morning Augusta (News)

... give their application more weight for approval. south carolina is looking into new ways to improve education. governor nikki haley toured the east aiken school of arts yesterday to see how an arts integrated curriculum helps students succeed. the governor is looking for methods that make a difference in education. "when you look at the integration of arts and how it's helping them learn, these kids aren't learning all day, they are having fun all day, they ...
