News 12 This Morning (News)

... if you've noticed roads across south carolina deteriorating-- you're not alone.  
governor nikki haley said almost half of the state's main roads are in poor condition.  
haley hopes to add ten cents to the state's gas tax for the next 3 years to help pay for  
her 3.5 billion dollar road plan.it's a problem many people in aiken county have noticed-  
-but aren't sure they're willing to put up the money to fix it. i have to use skills just to ...
