Subject: 1997 Bond Act Balances for Corrections

Corrections didn't file a Form D for this one, but can you ask them if they have any remaining balances from that act? You'd think those funds had been exhausted by now. Thanks.

CLS

65.12. (CORR: Major Renovations and Repairs) The Department of Corrections may utilize any existing bond funds approved by the 1997 Bond Act for major renovations and repairs and/or the construction of new beds as the budget and inmate population dictate.
