The Honorable Nikki Haley
Governor of South Carolina
1205 Pendleton St.
Columbia, S.C. 29201

Dear Governor Haley,

I have been feeding Ann Pressley (D.O.B. 1-26-60) since she is disabled with a broken ankle. I give her rides since she does not own a car.

Yesterday at Ann's, I asked her if she remembered about looking for Star Egan's Ski-Mask in my truck. She has a body-language move of putting her lower-lip when she is avoiding an answer to a question that makes her the guilty one. The lip thing could be demons. Yesterday, I made and delivered her a meal. (A pro-bono "Meals on Wheels"). The meal was kosher, so I said an ancient Hebrew dinner blessing in Hebrew language. She then did the "putting-lip" move. (Demons hate it when someone speaks Hebrew, it is a language they understand.)

I can't romance the information out of her, as I am married. So I have been helping her get by. So she will like, and trust me, I am giving her a ride to S.H.A.R.E to pay her rent today.

Ann got busted for stealing cash at her former employer. She is on probation and is now in V.O.P. from non-payment of fees.

So she thinks she will be jailed soon.

I think if she turns state's evidence about looking for Stan Egan's Ski-Mask in my truck the State could set a deal with her, and release her from jail. If this happens, ^{watch} ~~watch~~ her when she is speaking, and look for the pouting lower-lip body-language she does when lying, or avoiding an answer to a question.

I don't trust the U.S.P.S. at the Parkwood station on N. Pleasantburg. They may be in cahoots with Catherine and stealing my letters.

I can't communicate any other way securely with you, other than to write (by-hand) these letters.

I don't trust your staff that handles your mail, they too could be in cahoots with Catherine and those evil ones that are using the memory-loss pills.

Don't call my cell phone, as Catherine could find out you did.

She asked me not to call "Columbia" about anything, and got me to agree verbally.

If you have received my mail and want to acknowledge that you did, you will have to

call the Northgate Soda Shop in Greenville

(864) 235-6770

Call in the morning, any where's from 5:00 am till am, monday through Saturday.

I work those hours, and am here alone then. Nobody will know if you do it from a private cell phone with a "No Caller I.D." on it.

If you have a phone like that and want to call me on, my cell-phone to acknowledge you recieved my mail, my cell-phone # is: (864) 551-3729

If I get no response soon, I will assume my letters to you were stolen by the enemy, and I will have to drive to Columbia in person to talk to you.

The memory-loss pills must be stopped before they make their way into our government and military personell.

Sincerely American,

Thomas M Lane
"Capt. Tom"
