Good afternoon. Is there any way we can add the South Carolina Police Chiefs Association in the first paragraph? Other than that it looks great.

Good Afternoon Gentlemen,

Please find attached a draft of the announcement of the drug take back box grant from the Office on Aging. Please review and let me know if you have any comments or concerns. Also if there is any information that your members might need that we did not include in this draft. Thank you for your help.

Please do not release this as it is still a draft.
