Subject: Learn, experience and advance in public administration

[Mobile friendly version](#) [View in Browser](#)

Put your learning to work in the community, before you even graduate.

With our Master of Public Administration degree you won't have to wait to make a difference; you can affect real change, right now. Embark on a capstone project that allows you to collaborate with research centers and address pressing social issues. Implement your innovative ideas in the local community and see the difference they can make. Customize your degree around your passion area and emerge from the program with a powerful combination of knowledge, real-world experience, and career momentum.
