Good afternoon!

It was an honor to host the Lt. Gov., his wife Ann and all of you!

Here are the links to downloadable versions of these products, as well as other videos of our Apaches training.

This DVIDS site is where we park all of our public released video products that are downloadable in different sizes, since files are too big to email and Youtube is hard to download from. You may need to create an account--but it's worth it--as then you can access all videos and photos from all branches of the military anytime!

Subject: [Non-DoD Source] Videos from Friday's Visit

Good morning!

Thank you again for everything you all did to make Friday happen! It was a wonderful experience and the Lt. Gov. gained so much knowledge.

I did want to follow up about the two videos that were shown to us that morning. Would it be possible for us to share those on Facebook? The LG would love to share what you all do and he thought they were great visuals for that.

Thank you!

Tori Beth
