**Doug Ashbaugh** Dear ,  
We are writing this letter to let you know Rand Paul is on the ballot in southcarolina . Will you please support Dr. Paul with your vote on February 23rd? Dr. Rand Paul wants to Defeat the Washington Machine and drive a stake through the heart of the IRS with Rand's fair and flat tax plan, put term limits on career politicians, and make congress read the bills before they pass them. Rand Paul will get us out of debt with a balanced budget amendment to the Constitution and has a plan for a stronger national security.  
Dr. Rand Paul is an eye surgeon, he has given surgeries for free. Also, he shows up in the

Senate with a 98% voting record and a 94% Constitutional record, better than any of the others running. Will you help us by voting for Senator Rand Paul?  
Please check your caucus location at [www.nevadagopcaucus.org](http://www.nevadagopcaucus.org).  
Volunteer for Rand,
