## Please support the Columbia Museum of Art

The CMA is committed to the concept of the 21st-century museum. We believe in being inclusive and participatory. We believe that art is meant to be experienced, not just seen.

Freshly renovated, your museum is a place brimming with activity and new ideas. A place not just for art lovers, but for folks who don't think of themselves as "museum people."

Grab a cup of hot tea in the shop or pick up a portable, foldable stool to take a load off. The new CMA is designed to be the heart of the downtown community, and a special place where everyone can laugh, play, and learn.

Your support today will help sustain and create a better tomorrow.

As you consider your end of year giving, we invite you to be a part of this incredible time as the CMA continues to build the future.
