Yeah, that works. It'll be a one-hour respite from budget meetings. Sort of.

I've got free market economist Russ Sobel presenting at the BEA annual economist-fest on Wed Oct 24th.

He and I are planning on riding up together but I've got our monthly BEA before the annual one (good day, huh!) at 11 and he's not due to be there til 12:15. So, while this may sound like I'm just looking for you to babysit him but I know he wants to be helpful and he's unbelievably able to assist so would u be willing to talk w/ him at 11 and get an intern to get him over to BEA land afterwards? I seriously would suggest you put him to work now or later on tax or other stuff.
