State Auditor Search Committee,

Even though I have not heard from everyone, there already does not seem to be a suitable time to schedule a meeting within the next couple of weeks. Attached is a spreadsheet to reflect the availability you have provided me. Please let me know if there may now be any flexibility in the dates you have already provided and please let me know your availability for the weeks of October 21-25, October 28-November 1, November 4-8, and November 11-15. To meet the deadline for the December 10, 2013 Budget and Control Board meeting, we need to determine what additional steps, including additional interviews, are needed. Please let me know if you have questions. Thank you.  
Sam
