GJ: "Governor if Donald Trump doesn't win would you be interested in running in 2020? Do you have any interest in the 2020 election?"

NH: " After this presidential, I don't know that anybody is thinking about anything. I mean, I think this has been a long 18 months. Let me count, 20 months actually since the first person jumped in. You know, it's been a crazy ride and what I care more about is the party, the Republican party and where it goes. So you'll see, starting tomorrow, I'm really trying to get out there and say okay you know —what lessons were learned, where do we go from here and how can I be a part of that? You'll see me do that through the [Republican] Governors Association. You'll see me do that through the party. And you'll see me do that in any way that I can.
