We have completed a preliminary draft for your review on Monday. Jimmy will finish the Project Phoenix update by Monday afternoon.

Thanks,
Marcia

Subject: Gov's email re Ladson

David: We responded to the Governor's question concerning Ladson and told him that we'd update the 6/15 Myrtle Beach report. It is very important that we quickly catalogue our efforts to improve DMV service. More is better than less, including status update of Phoenix and work with insurance industry. Sid can help. He can also help with similar for legislators.

Thanks.
