Mike,

What the General Assembly did was direct the state to issue an RFP and receive bids for another years coverage. That process has not been finalized. The Budget and Control Board is finishing up the evaluation and award process now. The State may end up with a different vendor your constituents should wait until October to see what happens with the award.

Ted

Ted, we extended this service for another year. Why is Expeiran sending this to our constituents?

Keep Your Identity Protection Membership for Just 99 cents a Month.

Dear Paul Forrester,
Customer Number: 173499812

Ever since your identity was compromised in a data breach last year, ProtectMyID® has provided you with a host of powerful tools and resources to keep your identity secure. We wanted to let you know that you are now eligible to renew your membership for just 99 cents a month. That's less than \$12 a year to extend the proven identity protection that you have come to know and trust.

Renew now to continue with the following benefits:

- Our **3-Bureau Credit Monitoring** process checks your credit report from all 3 Credit Bureaus for more than 50 leading indicators of identity theft every single day.
- **Surveillance Alert Notifications** alert you via text or email if activity is detected that could indicate your identity has been compromised.
- As part of the credit bureau, our highly trained **Identity Theft Resolution Agents** will help you respond to identity

threats and can quickly enact Credit Alerts or Freezes to your credit report for added protection.

Even if you renew early, you won't be billed until your current membership expires. Whether you prefer a monthly or annual membership, be sure to [renew now](#) to lock in this low membership rate. To renew by phone, please call 1-866-584-9479.

ProtectMyID is the only data breach resolution company that is part of the world's largest credit bureau. We're backed by Experian, so you can trust us to safeguard your identity the right way. We look forward to continuing to provide the identity protection you need - for the peace of mind you want.
