Mr. Dill,

I just tried to reach you by phone. Do you have any specific question(s) that you would be able to share with me? I will most likely have to coordinate with the Director of the Office on Aging, and having some additional information on the angle of your story will help. Feel free to reply by e-mail when you have a chance or reach me by phone at 803-734-2080.

With the Senate in session today, it may be easier to reach me by e-mail if it's not too inconvenient.

Thanks,

I'm working on a story about funding through the Older Americans Act and am planning to start shooting it tomorrow.

Can you call me back? I have a few questions I need some help with.
