Good morning,

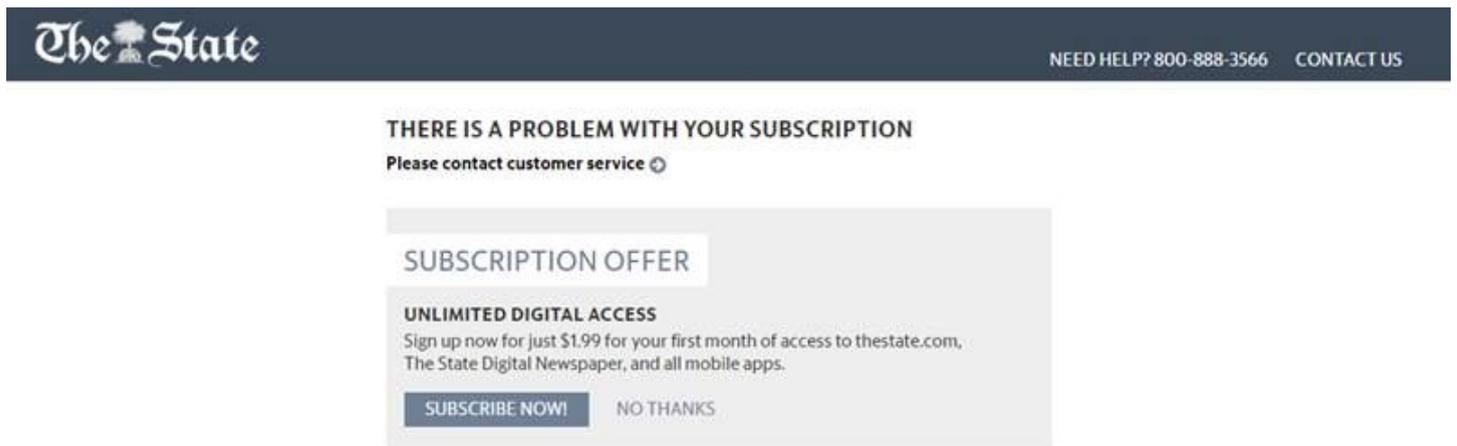

Tori Beth is having trouble accessing The State and it is giving her the same error message that it was giving me. I did not know if you had any helpful tips or tricks that you could pass along to resolve this issue, but any help would be much appreciated.

Sincerely,

Hayden Grooms

Can you still access the State? It kicked me out and when I tried to log back in this came up.

The screenshot shows the top of the The State website with a dark header. On the left is the logo 'The State' with a small tree icon. On the right, it says 'NEED HELP? 800-888-3566 CONTACT US'. Below the header, a white box contains the message: 'THERE IS A PROBLEM WITH YOUR SUBSCRIPTION' followed by 'Please contact customer service' with a speech bubble icon. Below this is a grey box with a white header 'SUBSCRIPTION OFFER'. Underneath, it says 'UNLIMITED DIGITAL ACCESS' and 'Sign up now for just \$1.99 for your first month of access to thestate.com, The State Digital Newspaper, and all mobile apps.' At the bottom of the grey box are two buttons: 'SUBSCRIBE NOW!' and 'NO THANKS'.

I think this is worth posting

Maybe something like, "Let's not bring this job-killer to SC"
