I have lived in this area for 6+ years. Exiting our neighborhood is extremely dangerous at specific times of the day. Many residents must take chances (timing cars) to exit left. Please consider lowering the speed limit in this area.

I believe the speed limit is very high for those turning in and out of the neighborhoods. I have had trouble myself as an experienced driver and feel that this is a must in order to reduce accidents!

I was involved in a rear- end collision on Broad River Road in May. When slowing to turn left, a motorist was going too fast and following too close. Reducing the speed limit on this stretch could reduce this type of accidents.
