Tony,

I sent the email below about 3 weeks ago and have not heard back from you. We are trying to get the expansion space started, but I need to know how you all want to use your allowance for the existing space. I'll be glad to meet with you if necessary.

Thanks,

Wes

Tony,

We are gearing up to get started on the 3<sup>rd</sup> floor renovation of your expansion space and the common corridor, lobby and restrooms. You all have an allowance of \$10,000 to use in your existing space. These should be finishes or minor repairs that do not require plans and permitting. Can you provide me a specific list of items that you all would like to have done in the existing space.

Thanks!

Wes
