Dear Mr. Tillemans,

On behalf of the people of South Carolina, I would like to welcome you to the Palmetto State and express our sincere gratitude for your service to our nation. As a typist during the war-crimes trials at Nuremberg and Dachau, you saw and heard first-hand the horrors that occurred in Europe during World War II and played a direct role in prosecuting those responsible. Your willingness to remember, relive, and relate your incredible story demonstrates your unwavering commitment to helping ensure that future generations will "Never forget" the atrocities of the Holocaust and will always remain vigilant against hatred, intolerance, and inhumanity.

In the world of making a positive difference, you have been incredibly effective, and the impact you have made will be a source of strength for generations to come. We are honored to have you with us in South Carolina, and I thank you for bringing your message of hope, humanity, and the power of human kindness to the Palmetto State. God bless.

My very best,
