Miss you!

My niece is in town most of the week at USC Orientation (soooo excited for her to be here next year!!)

What about next week – Monday, Wednesday, Thursday or Friday are wide open! You tell me what works for you!

I miss you so much.
Let's try to get together soon...does this week work? Next week?

Dear Tournament partners:

I certainly hope that this e-mail finds you well.

I wanted to take this time to share some exciting news with you as we have a new addition to our team. Derek Paton has been selected to move into a newly created position within the Heritage Classic Foundation and will be overseeing our Sales and Marketing efforts. Derek joined our team three weeks ago and has been hard at work ever since. As most of you know, Bill Wagner our Director of Sales for the past 12 years will be retiring at the end of July.

Bill has been a tremendous asset to our team and it will be bittersweet as he leaves a lasting legacy on the organization. We're embracing this change and the opportunities that lie ahead as we welcome Derek.

Some of you may be familiar with Derek. He worked with Wasserman, a global sports and entertainment company who handled the RBC agreement with us. To give you a little background, Derek has 13 years of experience in sales and marketing, particularly in PGA TOUR properties. He has spent the last 8 years at Wasserman managing and executing the marketing strategies of global brands involved in over 65 professional golf championships. Prior to his tenure at Wasserman, Derek spent 5 years at Golf Canada overseeing sponsorship revenue and partnerships for the RBC Canadian Open, the Canadian Women's Open and Canadian Amateur Championships. Derek is a client service expert who is revenue driven and will bring strong leadership and creative ideas to our team. Derek and his family live on Hilton Head and we welcome them to the Heritage Classic Foundation family.

Thank you for your continued support of the Heritage Classic Foundation and for being such a big part of our team.

Take care and have a wonderful summer. We will be back in touch with you soon. As always please reach out to us at any time.

Steve
