Subject: S.150

Good morning,

I have to produce our response to S.150 to Debbie today. Attached is the latest draft of our feedback on the substantive positions; we took no position on the transfer of programs to HHS other than to point out the fiscal impact. Please let me know if you have any revisions and when I have the greenlight to submit it today. Also, do you want me to coordinate with Jenny at HHS to submit both Agencies' reports at the same time? Also, Susan will not be able to attend Thursday's hearing on the bill because she is the keynote speaker at a conference in Charleston. Therefore, will one of you give me a call this week to discuss the plan of attack for testimony on behalf of the Department?

Many thanks,  
Karen
