We'll be in touch with him when we have availability for this. Don't see how it works in the schedule on Friday.

Chaney,

I'm following up with you on getting a longer form interview (10-15 minutes) with Governor Haley. I see that y'all are hosting a Team South Carolina Day in the area later this week in Georgetown. Do you think she could do the interview then? We could do it at the event location.

Thanks,  
Tim
