Dear Governor Haley,

I am writing to request that you oppose the un-needed Engle proposed bill H.R. 1358 which would outlaw M855 ammunition and would open the door to outlawing any other type of rifle ammunition should a politician decide to do so.. This is a direct affront to the 2nd Amendment of the Constitution.

Please keep in mind this is the same ammunition that the ATF proposed banning and recended its attempt after receiving a a major amount of anti feedback from everyday citizens. And Engle turned around a day later introducing the same ban which is a spit in the eye of the voters that had already made their views known.

Sincerely,  
Thomas Brandon
