Dear Governor Haley,

### **Affordable Options**

As of January 1, 2017, South Carolina is requiring that all agencies **electronically submit** the court copy of a citation to the Department of Motor Vehicles within 3 days after it has been issued to the violator.

We believe that all agencies should have **affordable options** to meet these requirements. That's why we are offering you our **E-Ticket** solution for **FREE** for the remainder of 2016. Add our online Payment Portal option and your E-Ticket will remain **FREE** to your agency.

### **Ten great reasons to use our e-Ticket solution**

- Create accurate citations in seconds, not minutes
- State systems integration
- Increase officer safety with less time outside of vehicle
- Real-time information processing
- Free 24x7x365 support and training
- No server hardware required

- CJIS Compliant Solutions
- Nlets strategic and hosting partner
