Dear Friends:

Virginia is a silent victim due to the Secret Service robbery of all 50 States, DC & EWC of over \$1.5-Trillion.

According to the electoral votes Virginia have 13 electoral votes and it is \$13-Billion plus interest for the last 30 years an other \$13-Billion, the total is \$26-Billion due immediately.

All States are having a deadline starting August 1, 2016 with \$3-Million daily interest accrue.

So far the the U.S. Department of Justice, U.S. Treasury, Federal Reserve and FDIC kept the Secret Service robbery SECRET in order to defraud the States, DC & EWC.

CIA's Director William Casey, he was also my friend tried to help the States, DC & EWC and was murdered by the Secret Service in 1987 and EWC was also butchered, that is why the statute of limitation will never expire.

With the chinese robbery of \$19.5-Trillion, the illegals frauds of \$23-Trillion and the Secret Service robbery of \$1.5-Trillion.

That is why the State of Virginia must start to take action immediately under the RICO Laws against the U.S. Government before all the banks are collapsing.

ALL CORRESPONDANCE MUST BE IN WRITINGS DUE TO FAKE-PHONY CALLS!

Sincerely,

Dear Friends:

Now you understand why china declared an economic WORLD WAR III, the reason that china in reality have between \$4 and \$5-Billion real assets, despite of the fact they are circulating over \$100-Trillion yuan toilet papers around the globe with CHINESE BANK WIRE FRAUD TRANSFERS (CBWFT)

Nevertheless, FDIC refused to cancel FDIC's insurance for the U.S. banks in order to allow to distroy the banks in cahoot with Federal Reserve, U.S. Dept. of Justice, the White House Cabinets, the World Bank, IMF to surrender to CBWFT with-out a shot around the globe.

The U.S. Treasury also defrauded America of \$19.5-Trillion by borrowing for CBWFT and give them real U.S. Treasury Bonds as a collateral to distroy the U.S. Banks.

The Secret Service crooks also robbed all 50 States, DC & EWC with 8-Murders over \$1.5-Trillion, the U.S. Dept. of Justice and some Congressmen are keeping the robbery secret even when the Secret Service already spent over \$6-Billion on hookers in the last 30-years. The States, DC & EWC want their stolen assets immediately. According to the electoral votes it amounts to \$538-Billion still left \$962-Billion. Each Electoral vote worth \$1-Billion as an example: Virginia have 13-electoral votes plus interest for the last 30 years amount to \$26-Billion and is due immediately.

EWC was also robbed by the government crooks with 4-murders kidnappings, hostage and ransom. As of July 1, 2016 amounts to \$24-Billion \$262-Million \$200-Thousand and is due immediately.

The illegals are also having a field days sending home over \$100-Billion every year without paying any taxes, while using FREE medicals, hospitals, foodstamps, housings, schools, courts, jails, extraditions etc. etc. etc. amounts to over \$23-Trillion in the last 40-years.

Total frauds by the illegals, chinese and government crooks amounts to \$44-Trillion \$24-Billion \$262-Million \$200-Thousands. This calls for the death penalty, all 50 States, DC & EWC are ready closing-in on the government crooks.

**JUST TO CLEAR UP HOW I BECAME A CAPTAIN**

**MEMORANDUM**

**OFFICIAL BUSINESS**

Dear Friends:

During the Cuban missile crisis started when Washington refused a loan to Castro's Cuba when he called in the Soviets. At that time I was in Fort Meade, Maryland in the United States Army Intelligence as a translator. When the Secretary of State David D. Rusk showed-up with wet-pants, begged the Post Commander to send somebody to talk to the Soviet representatives that Rusk already set-up at the Baltimore Harbor, Maryland.

The Post Commander selected me and at the time I was an E-5. In order to do this I was promoted as a Military Intelligence Captain. There were a few people at the Pentagon who opposed me, but the Post Commander said that we are at the verge of WORLD WAR III, so he told the Pentagon that if you can find somebody by tomorrow morning then I will not be promoted. The Pentagon said that in such a short notice there was no way. So I was then promoted to the rank of Captain Joseph Domossy.

At that time the Soviets only had about 250 nuclear missiles, America and the west had over 5-thousand nuclear missiles. If the Soviets would have started a nuclear exchange, Russia would have become the 51st state of the United States, but the cost would be in the millions of American lives. I even read them a Russian Poem.

Just as I was ready to go to Baltimore Harbor for my appointment accompanied by two Military Police (MP), we were ambushed by General Curtis LeMay and he made threats to court marshal me and the firing squad because he wanted to start WORLD WAR III. I told the General is it worth millions of American lives for your court marshal? The MP's whispered to me that we have a winner here a (mental case). Before the General was arrested he said Captain if you fail in Baltimore Harbor don't come back. So I calmly said to the General please calm yourself and let us go.

Years later, CIA's Director William Casey told me that some soldiers in Vietnam just got a flesh wound and received a Congressional Metal of Honor, I saved millions of American lives and got zero. CIA's Dir. Casey said that it was a total hate crime and I should be promoted to a full bird-colonel.

CIA's Dir. Casey accused the Pentagon for supplying 15 heavy duty trucks for the robbery of \$136-Billion from the U.S. Treasury by the Secret Service, the White House crooks out of \$1.5-Trillion cash which was ordered by President Eisenhower during the cold war in the event of WORLD WAR III to be stored in a secret hideaway, here we go again the Secret Service crooks set the rest of \$1-Trillion \$364-Billion on fire to cover their tracks. To protect the Secret Service crooks the Pentagon requested CIA's Dir. Casey not to mention and keep it secret before agreeing to the promotion of Colonel Joseph Domossy. This could not be changed because it would be contrary to the Washington Post article published on Tuesday February 11, 1986 page E-3, so the Pentagon doctored Captain Joseph Domossy's record and the Secret Service crooks murdered CIA's Dir. Casey by checking him into Glen Cove, New York, Hospital for a complete physical check-up. Casey walked-in and never walked-out.

**THE STATUTE OF LIMITATION WILL NEVER EXPIRE**

Sincerely, **THE SECRET SERVICE CROOKS MUST BE ABOLISHED IMMEDIATELY!**

**FOR THE MEDIA**

Burning-up the cash by the secret Service, the serial numbers are still good so all 50-states & DC will recover according the electoral votes the total amounts to \$538-Billion and still left \$962-Billion for emergencies.
